

Ramadhan Message

*Our honesty and upright conduct
Are not mere matters of policy
Or convenience: all life in this world
Must be lived as in the presence of God.*

*The finest example of Faith we have
In the Apostle's life: full faith,
Let us render willing obedience
To God's will. Our responsibility,
Though great, is not a burden
Greater than we can bear:*

Let us pray for God assistance, and He will help.

Abdullah Yousuf Ali Commentary on Sura Baqara Verse 283-284
